FOR IMMEDIATE RELEASE

Integrated Care Management Promotes Chris Albrecht to Vice President of Finance and Accounting

Albrecht to Play Key Role in Company Strategy and Growth

ATLANTA— January 3, 2011— Integrated Care Management (ICM), a leading disability management firm, announces the promotion of Chris Albrecht to Vice President of Finance and Accounting effective immediately. Albrecht joined the company in February, 2009 as Controller following several years in key financial roles at wireless telecommunications firm Satelink Communications, and Salis, a transactional tax compliance outsourcer.

According to ICM President Kevin Hill, Albrecht's promotion reflects his contributions as a key company strategist with the skill and passion to help drive the company forward. "Chris is extremely dedicated to ICM and plays a key role in ensuring that we deliver the best possible service to our clients. He and I are completely in sync with ICM's vision and Chris understands exactly what it takes to keep the company moving forward. He has brought a great deal of structure to our finance and accounting teams since his arrival and implemented processes that have been extremely well received internally, and most importantly, by our clients. Chris made an immediate impact on ICM when he initially joined us and will continue to play a significant role helping us meet our aggressive goals."

About Integrated Care Management

Integrated Care Management (ICM) is a leading disability management firm that services the needs of TPAs, Insurance Companies, Self-Insured firms and the Maritime Industry. ICM offers case management strategies and services (field, on-site, catastrophic and vocational) which can be employed individually or in combination based on the recommendation of our case managers, and in consultation with clients. Integrated Disability Management Services enable employers to integrate Workers' Compensation, Short-Term Disability and Long-Term Disability into a single actionable and manageable program.
